Dear Friends

### **Private Tour with London Transport of Baker Street Underground Station – Monday 12 January 2026**

On Monday 12 January Aldersgate Ward Club will have a Private Tour of Baker Street Station one of the original stations on the Metropolitan line, the world's first underground railway. We have the rare opportunity to go behind the scenes to off-limits areas and discover disused parts of London's first underground station—Baker Street. Dating back to 1863, we will find out fascinating insights about its history visiting original platforms, disused lift shafts, and hidden areas that you wouldn't be able to access alone. This tour is the only one in London that grants access to closed-off and disused parts of an underground station. It also reveals exclusive historical findings, which London Transport's experts found from their archives.

The tour will start promptly at 10.30am and I will advise attendees of the precise meeting point ahead of the day.

This tour lasts for about 85 minutes and will involve walking for most of that time. Seating will not be available.

There are a number of stairs on the tour and it will include access to confined areas which may be unsuitable for people with claustrophobia. There will be areas which have low lighting and may be dusty. The tour requires sturdy footwear (no open toed or heeled shoes allowed) and suitable clothing, do not bring large or heavy bags (there is no cloakroom), no food or drink except bottled water is permitted, each participant must bring physical photo ID.

The cost of this private tour is £120 each and our tickets also provide for:

- Half price one-day entry to London Transport Museum in Covent Garden (within a month of our tour date). No need to pre-book, just visit the Museum with proof of our tour ticket.
- 10% discount on all full price products in the Museum Shop, within one month of tour event date.

I would be grateful if you could return the attached booking form to me by Monday 5 January 2026 to confirm your place.

May I also take this opportunity to wish you a very Happy Christmas and a prosperous New Year.

With kind regards.

Lionel Green
