

The Master welcomes you to Carols from the City by zoom.
Tuesday 8th December 2020 at 5.30pm

*The Lord Mayor of the City of London,
Alderman William Russell, invites you to a
very special Carol Service, organised by The
Lord Mayor's Appeal, The Worshipful
Company of Information Technologists and
the VOCES8 Foundation.*

City Tradition

It is a tradition of the City of London for many of its Livery Companies and businesses to hold Christmas Carol Services in early December. In 2020 this is not possible owing to the Covid-19 restrictions in force. The Lord Mayor has therefore decided to host, in conjunction with the VOCES8 Foundation and the Worshipful Company Information Technologists, a live-streamed service for the whole City. As this is to be available online, there is no limit to the number of people who can attend.

Distinguished Participants

So come and join us for a unique carol service with traditional readings by a host of very distinguished readers (including HRH Prince Edward, Earl of Wessex KG KCVO) and well known carols which you can sing, joining in at home. The singing will be led by VOCES8 who, along with Apollo5 and the children of a local school, will also perform some wonderful choral pieces. You can sing along at home.

Supporting Charity

All donations and the net proceeds of the tickets will go to our chosen charities – see below.
