Christmas Carol Service at St Giles Cripplegate

6.30pm Monday 14th December 2026

We shall join the Parish Carol Service in the historic church of St Giles Cripplegate. The address is Fore St, London EC2Y 8DA, and it can be reached through the Barbican estate.

St Giles is one of the few remaining mediaeval churches in the City of London. The current church was built in 1394 on the site of a previous Norman church. Both William Shakespeare and Daniel Defoe had connections with the church. Probably the most famous person connected with St Giles is John Milton, whose statue stands just inside the South Door under the organ gallery.

As usual there will be a collection taken during the service. Mulled wine will be served afterwards.

Following the service, we shall adjourn for our Christmas Dinner at Côte Brasserie, 57 Whitecross St., London EC1Y 8AA. Our table is booked for 8.15pm, and it's about 7 minutes walk. Please see attached Booking Details.

Forthcoming events:

Tuesday 12th January 2027 at 6.00pm - Dr Johnson's House, Gough Square, EC4 3DE.

Saturday 13th February 2027 at 11.00am - Apsley House & Wellington Arch.
