Subject: Aldersgate Ward Club- a big thank you

Dear Adriana,

A huge thank you for looking after us so well the Thursday before last., the 29th May. All my members were really delighted with what they ate and the service. Many commented on the lovely atmosphere which your waiters created. They were superb as indeed were the chefs.

I know it was a very busy night for you as there were so many other clients but all you did for us was much appreciated. I shall hope to come to eat with you again and shall certainly recommend the restaurant to my friends.

You were all so gracious and charming.

Thank you again.

Kind regards,

Jan Yerbury
